

A Foundation for Uehling's Future

WORKING TOGETHER FOR THE BEST SMALL TOWN IN NEBRASKA

To help ensure our town's life style we have developed the Uehling Area Community Foundation.

The Uehling community has always been proud of its alumni, community people and friends of Uehling. Our friendly small town atmosphere is something that can't be found in a large city. The term "town pride" is what Uehling people have believed in and it shows in our support for our town and Logan View School.

To help ensure our town's life style we have developed the Uehling Area Community Foundation in 2010. Its purpose is to receive, administer and distribute funds for community improvements. These funds can only be used for community projects such as park and town improvements. Our Foundation can guarantee progress for town improvements for years to come: Working together for the best small town in Nebraska.

The Uehling Area Community Foundation has a local Board of Directors who receive and administer funds donated to the Foundation. The board will also make recommendations for the disbursement of funds for improvements in the Uehling area. The Board is dedicated to practically managing the assets, as well as disbursing grants as determined by a majority of the members. The local foundation is an affiliate fund of the Fremont Area Community Foundation, a tax exempt, 501(c)(3) non-profit organization whose funds must be utilized for charitable needs.

ADVANTAGES

Many people wish to return a portion of the rewards of a successful life to the community where they have lived, worked or have other ties. The Uehling Area Community Foundation provides a vehicle for receiving donations that benefit the community, as well as provide tax benefits to the donor. The FACF is in compliance with the national standards governing community foundations, and they also provide administrative expertise to the Uehling Area Community Foundation.

The Fremont Area Community Foundation has given grants to the Uehling area, and that relationship will continue. The Uehling affiliate fund provides a vehicle for local donors who would like their contributions to be used exclusively to benefit this community.

DONOR ASSISTANCE

The Uehling Area Community Foundation, as an affiliate fund of the Fremont Area Community Foundation, can provide assistance to prospective donors and their professional advisors, regarding giving plans to maximize the benefits to donors and the community. There are many options for the donors such as building the endowment, donor advised fund, or designated gifts.

"Our friendly small town atmosphere is something that can't be found in a large city."
